PUBLIC AFFAIRS / STRATEGIC COMMUNICATIONS (GS-12 QUALIFIED)

PROFESSIONAL SUMMARY

Public Affairs and Visual Information professional with 52+ weeks at the GS-11 level delivering high-visibility communication products for federal organizations. U.S. Navy veteran experienced in internal information programs, media/community relations support, and mission storytelling through video, photography, and press-style messaging. Trusted partner to leadership for fast-turn, accurate content during routine operations and emergency response, with strong operational security awareness and Section 508 accessibility compliance.

CORE COMPETENCIES

- Internal information programs • leadership messaging • stakeholder coordination
- Media relations support • news-style writing • digital distribution (web/social)
- Community relations & outreach • event coverage • displays/speaker support
- Field/deployment-style documentation • interview + b-roll capture • rapid editing
- Section 508 accessibility remediation • brand consistency • deadline-driven production
- Project leadership • workload prioritization • mentoring/training

SPECIALIZED EXPERIENCE (GS-12 ALIGNMENT)

- Planned and executed internal/external communication products supporting mission priorities and leadership visibility.
- Produced multimedia coverage for public engagement and operational objectives, delivering polished assets on tight timelines.
- Managed on-site capture workflows and coordinated requirements across stakeholders to ensure accuracy, compliance, and consistency.
- Supported outreach and community engagement events with branded media, displays, and video assets.

PROFESSIONAL EXPERIENCE
